Bill,

Attached is the most recent report. We will make sure the EPA gets a copy going forward.

Have a great weekend,

JD

John,

During our discussion on January 4, 2017, it was agreed that CRRM would send a copy of the most recent Benzene Waste Operaton NESHAP (BWON) report to me via email. Have you been able to locate that report and can you send it to me?

Thanks,

**Bill Peterson, P.E.**
